Attn: Commissioner Kevin J. Martin.

Dear Commissioner Martin;

This letter is to ask that you hold-the-line on regulation of ownership of the media. The US government has already gone too far in allowing the ownership of our media to be concentrated in only a few financial groups and individuals. This is not healthy for the country.

Please either tighten up on regulation of the number of newspapers, radio and TV stations that one family or single company can own, or keep the regulations as they are.

Best regards,

Paul Bingham
